

We're lovers of our land, its culture, its traditions and its gastronomy. We have **more than 20 years** of experience serving our customers and friends in **Mallorca**

We are direct descendants of **several generations of farmers and fishermen**. For years, we have devoted ourselves learning the ancestral trade of fishing. At the present time, we preserve our artisanal fishing boat and we take care of the fields inherited from past generations, which enables us to offer **zero-mile products** distinguished by its quality, sustainability and environmentally friendly.

Thank you for spending your time enjoying the true essence of the Mediterranean.
